Lectionary readings for the day

Psalm 104:24-34,38b God’s Spirit creates the great menagerie of creation and then sustains it like a great spigot of the divine life.

John 15:26-27, 16:4b-15 God’s Spirit knits together the prophetic word of Jesus and the testimony of his disciples, making the proclamation of that word cosmically effective.

Romans 8:22-27 God’s Spirit mediates and maintains God’s presence within a broken and groaning creation as God’s people wait for the restoration of all things.

“Speaking in Tongue : Smiling”

Length 3 minutes 22 seconds

Precis of AAM

Australia is a Multicultural country; in 1985, the Uniting Church said, “We are a Multicultural Church (with many different languages spoken across our congregations.)” There are many ways to share God’s love. But one of the easiest ways is to smile because smiling is a language that can be used everywhere in the world. Today is Pentecost Sunday. God gave the disciples of Jesus different languages to speak and hear God’s love for all people.
